WHERE GOOD THINGS ARE HAPPENING

Welcome to Euclid School's web site! My name is Christine Collins, and I began here at Euclid Elementary as assistant principal in August of this year. Before I came to River Trails School District 26, I was an assistant principal at a K-5 elementary school in Crystal Lake. I began my teaching career in CCSD 59 in Elk Grove Village, where I started as a special education teaching assistant, then a classroom teacher, and finally as a reading specialist. I hold a bachelor's degree in Elementary Education, a master's degree in Reading Education, and an advanced degree in Educational Leadership. I am very proud to join Euclid school!

One of the many reasons I was drawn to work here at Euclid is the amazing Response to Intervention (RtI) program that is so well-established. Instruction is differentiated to meet the needs of all students. The staff is incredibly hard working and dedicated. There is a high level of community involvement in the school, and many programs available to help support our families. I could tell from the moment I began learning about Euclid, that it is a very special place, and I find something here every day that proves it in a new way.

I live nearby in Arlington Heights. I have two daughters, ages 22 and 19, and a son, age 4, who you will likely see around the school often. It is extremely important to me to be a true part of the school community, and I look forward to working with all of the Euclid families this year.

Here at Euclid, we welcome parents and community members who want to help us reach our goals. There is a saying: "If you want to go fast, go alone. If you want to go far, go together." At Euclid, we truly want to work together, and we welcome you to join us. Feel free to give me a call (#847-259-3303) or drop me an email (ccollins@rtsd26.org) to express your interest!

Sincerely,
Christine Collins
Assistant Principal
